

Hospice Fredericton

POSITION DESCRIPTION

Hospice Fredericton is currently seeking applicants for casual work within Hospice House - a 10 bed residential hospice facility located in the Fredericton downtown core. Hospice House provides 24-hour medical care and support to patients and families at end of life.

We currently have openings for casual Personal Support Workers.

Hours: Position involves shift work - 12 & 8 hour shifts – days, evenings & nights

Duties & Responsibilities:

- The care staff plan, direct, and evaluate total nursing care.
- Practice in a manner consistent with professional, ethical, and legal standards of practice.
- Communicating patient status/needs to Physicians and providing symptom management to patients based on patient focused assessments.
- Maintain standards of accurate and concise documentation and reporting.
- Licensed staff must be competent in all areas of medication administration, assessment skills, treatments, and dressings.
- Provide ongoing teaching, education, support, and grief counselling to patients/families in a caring professional manner.
- Facilitate teamwork among the care team and foster a positive work environment.
- Able to provide safe quality care at all times.

Skills and Qualifications:

Professional staff must hold current registration and all staff must have experience in end of life care.

- Caring & Compassionate
- Team Leader/Player
- Organized, takes initiative.
- Ability to work with a wide range of individuals.
- Strong interpersonal, organizational and communication skills.
- Use sound judgment, diplomacy, and confidentiality.
- Fluent in English, spoken French an asset.
