2025 HIKE FOR HOSPICE CORPORATE PACKAGE

ABOUT HOSPICE FREDERICTON

Hospice Fredericton provides excellence in end-of-life care and bereavement support to patients and families coping with advanced illness, death, and bereavement. All of our programs and services are offered to individuals in the Fredericton and surrounding areas completely free-of-charge.

Since opening in 2016, we have had the honour of serving over 1,400 patients and their loved ones.

Hospice Fredericton relies on ongoing donations to cover expenses not covered by government funding. Each year, we must raise 60% of our operating budget - That's why your support means so much!

*Hospice Fredericton was able to make the worst time in my life, one of the best. The best because, for the 8 days my mother spent at Hospice, our family was given the gift of "peace". Peace because from the very first phone call, right up until after my mom passed, the nurses and the staff at Hospice Fredericton were the most professional, kind, compassionate, amazing humans I've ever met. Not only did they care for my beautiful Mother 24 hours a day, but they also took care of our family, especially my sister Angella, who came home from Ontario and was given the greatest gift of all, permission to stay with my mom around the clock until the very end. The nurses and staff took care of her as much as they did my mom. I have NO words, I can't express what's in my heart at this moment, because I never imagined I could ever be at peace after losing my mom, and because of Hospice Fredericton, I have found peace. **This is Hospice!***

ABOUT HIKE FOR HOSPICE FREDERICTON 2025

Hike for Hospice is a Canada-wide event that brings together community members to show support, spread awareness, and raise funds for hospice palliative care services. Each year, thousands of 'hikers' will participate in events put on by their local hospice palliative care organizations. All funds raised stay within the community in which they were raised and will help ensure that local palliative individuals are able to benefit from the programs and services Hospice has to offer.

This year's Hike for Hospice Fredericton will take place on June 8th at Hospice House. We will leave Hospice at 11 am and walk across the Bill Thorpe walking bridge to the Station House and back. Following our walk, there will be a BBQ and prizes to be won for top fundraising teams and individuals. Although there is an in-person hike option you can still hike your way - whenever and wherever you'd like from now until June 8th. Our goal is to raise \$50,000 in support of Hospice Fredericton.
